Sub: Complaint against Insanitary condition of
Locality

Sir

I would like to draw your kind attention towards the insanitary condition of our locality. Being a citizen of this city, I would like to say that the drainage of our area has completely choked. Water flows on the roads. There are heaps of garbage over the roads as the peon does not come regularly. These conditions invite mosquitoes and it causes many diseases like malaria, dengue etc. Students cannot ride their bicycles on these roads as there are dugs and pits. So, I kindly request you to visit this city once and do something strictful.

We await your action.

Thanking you

Yours faithfully

Rashmi

15. Speech on - "Clean India Mission"

Good Morning!

Honourable Principal, Respected teachers and my dear friends. Today, I, Ram, a student of Class XII, stand before you to speak on Clean India Mission, a relevant topic. As we all know that, the Prime Minister of India, Narendra Modi, started Clean Indian Mission on the birthday anniversary of Mahatma Gandhi on October 2, 2014. He himself along with the cabinet ministers swept the streets of capital. It is an initiative campaign launched by the Prime Minister of India ^{for the country} to be cleaned in every aspect. He motivated people to keep their homes and surroundings clean. We should throw the garbage into the dustbins. We should not use polybags. We should keep our school and garden neat and clean. It keeps us away from a number of harmful diseases and keeps us physically and mentally fit.

Thanks.
