Subject - For taking action for the poor
maintenance of the state transport
buses.

Sir

I want to draw your kind attention
towards the matter about the poor
maintenance of the state transport
buses. Buses were very dirty and
they smelt very badly. People and
conductors do not pay attention
towards it because they are not
cleaned daily by sweepers.

Physical appearance of the buses is
very bad. Colour of them are comple-
tely faded. They need services time
to time. Tyres are also very rough
and all the windows have broken.
