An ideal Teacher

A teacher is one of the most important person in today's life. a teacher is a pillar of the society he uses his knowledge to educate others and students. An ideal teacher should be a person ~~with~~ who can educate anyone at anytime or any place. every teacher should try to be an ideal teacher to their students.

An Ideal teacher should ^{be} like a person who has unmatched knowledge but doesn't have any ego, or he can understand a student's situation or his feelings about a teacher. I have once studied in a government school in Rajasthan where ~~the~~ a student's education means nothing to the teachers, ~~the~~ ~~teachers~~ ~~then~~ ~~just~~ All that matters is their salary and they doesn't even value the student's future and only care

The Importance of Games for Students (By - Sachin)

Class 12th

Govt. S.S. School Muradipura (Jaipur).

The importance of ~~Games~~ ^{Games} in a student's life are almost as same as study. Physical games like football, cricket, hockey, basketball, volleyball allows students body's to performance physical movements which helps with the growth of the body and also awakes the feeling of victory in students. If a student is too good in a game schools should provide facilities to let them perform on big stages and provide the students a chance of career opportunity. Board games like chess, carrom, Judo, etc. allows students to sharp their mind and also provide career opportunities. By playing games regularly our body stays active and timely adopts to the physical challenges that are faced.
